Drummond Castle, situated in south-west Perthshire, is an interesting building dating from the 15th century. The castle itself contains much to interest the visitor, but the great attractions are the beautiful gardens, with their brilliant flower beds, carefully tended lawns, magnificent avenues of trees, and picturesque terraces. By the kindness of the owner visitors are allowed to inspect the place.

Drummond Castle, situated in the most beautiful grounds, is an interesting building dating from the 15th century. The castle itself contains many fine articles from Scotland, but the great attractions are the beautiful gardens, with their brilliant flower beds, magnificently trained hedges, magnificent avenue of trees, and superb terrace terraces. By the kindness of the owner visitors are allowed to inspect the place.
